**FIDUS INVESTMENT CORPORATION DECLARES
FIRST QUARTER 2024 DIVIDEND**

EVANSTON, Ill., February 14, 2024— Fidus Investment Corporation (NASDAQ:FDUS) (“Fidus” or the “Company”) today announced that its Board of Directors on February 13, 2024 declared a base dividend of \$0.43 per share and a supplemental dividend of \$0.22 per share for the first quarter of 2024. The Company’s dividends will be payable on March 27, 2024 to stockholders of record as of March 20, 2024.

When declaring dividends, the Company’s Board of Directors reviews estimates of taxable income available for distribution, which differs from consolidated income under U.S. generally accepted accounting principles due to (i) changes in unrealized appreciation and depreciation, (ii) temporary and permanent differences in income and expense recognition, and (iii) the amount of undistributed taxable income carried over from a given year for distribution in the following year. The final determination of 2024 taxable income, as well as the tax attributes for 2024 dividends, will be made after the close of the 2024 tax year. The final tax attributes for 2024 dividends will generally include ordinary taxable income but may also include capital gains, qualified dividends and return of capital.

Fidus has adopted a dividend reinvestment plan (“DRIP”) that provides for reinvestment of dividends on behalf of its stockholders, unless a stockholder elects to receive cash. As a result, when the Company declares a cash dividend, stockholders who have not “opted out” of the DRIP at least two days prior to the dividend payment date will have their cash dividends automatically reinvested in additional shares of the Company’s common stock. Those stockholders whose shares are held by a broker or other financial intermediary may receive dividends in cash by notifying their broker or other financial intermediary of their election.
